TO WHOM IT MAY CONCERN

It is with great pleasure that we, Aga Khan Education Services Pakistan (AKES,P), express our sincere appreciation to Engr. Hassan Tahir, who has served as the Project Coordinator from the Designmen Consulting Engineers, Islamabad office deployed on "Construction Supervision of 11 School Projects in the Gilgit-Baltistan and Chitral Region".

Throughout the project, he played a crucial role in coordinating with client, including monthly and fortnightly meetings, contractors, and site staff to gather site progress information for the preparation of monthly progress reports and reviewing design packages and procurement and logistics of construction materials.

His dedication and attention to detail have significantly contributed to the smooth progress of the project, which is now nearing completion.

We highly appreciate his contributions and wish him success in his future endeavours.

Best Wishes,

Tanzeef Shah

IQRA UNIVERSITY IU
H-9 CAMPUS, ISLAMABAD

LETTER OF APPRECIATION

Dear Mr. Hassan Tahir,

On behalf of Iqra University, I am writing to express our sincere appreciation for your exceptional work as a Structural Engineer at Iqra University Islamabad Campus.

Your contributions to our projects, specifically Block A, Block E, and the Pharmacy block, have been invaluable. Your responsibilities, which included top supervision, assessment of existing concrete structures, and design of both conventional and Pre-Engineered Steel Building structures, were carried out with utmost professionalism and expertise.

Your dedication and hard work have significantly contributed to the success of our projects. Your ability to maintain the highest standards of engineering while meeting tight deadlines speaks volumes about your hard work and determination.

We are grateful for your effort and dedication and look forward to more successful collaborations in the future.

Thank you once again for your commendable work.

Best Regards,

Abid Ali
