WOMEN EMPOWERMENT WEDNESDAY: THE MULTI-TALENTED MARYAM ARIF

Youngest Writer Maryam Arif becomes Pride of Pakistan | BOL News

Maryam Arif is the youngest self-published author in Pakistan. The 18-year-old uses a variety of social media platforms and advertising sites, including Facebook and Instagram Ads, Amazon Advertising, KDP (Kindle Direct Publishing) Select and giveaways, Guest Post and TikTok to market her books. TikTok, Arif believes is one platform where she not only gets free promotion of her books, but can also reach out to more like-minded people.

"I have been making BookToks for a while now," says Arif, whose TikTok handle @itsmaryamarif has an estimated three million views. "TikTok has created BookTok, a popular place for those interested in reading and writing books, and it has helped increase my audience."

Arif's self-help books are among the most viewed on BookTok. "I usually share a couple of things from my books and people love that," she says. "My website is linked to my TikTok account, and the attention and visibility my books get is directly converted into sales," says Arif, who also uses #maryamarif in her videos that have been viewed 2.7 million times, while her hashtag has been viewed 271,000 times.

Initially, she posted for fun and shared her favourite books on TikTok, but she noticed that the views increased steadily. It was during lockdown, when one of her videos got over 10,000 likes in a
