Employment Verification and Appointment History

To Whom It May Concern,

This letter serves as official confirmation of the employment history of **Ms. Maha Khan** with **Inavista Technologies**, which operates under **Inavista Solutions**, headquartered in Chicago, United States.

Ms. Khan commenced her employment with Inavista Technologies in **January 2017** in the position of **Full-Stack Developer.** At the time, the Pakistan office was in its early stages of operation. During her initial year, she demonstrated strong technical proficiency and reliability in assigned responsibilities and was entrusted with direct interaction with overseas stakeholders as part of routine project coordination. In recognition of her performance during this period, she was awarded **Employee of the Year (2017).**

Effective **February 2018**, Ms. Khan assumed the role of **Software Project Coordinator – Business Analyst.** In this capacity, she was responsible for analysing functional requirements, coordinating with customers, preparing documentation, and supporting collaboration between internal teams involved in design, development, and quality assurance activities.

In **September 2020**, Ms. Khan was appointed as an **IT Project Manager**, a role she continues to hold. Her responsibilities include overseeing assigned software initiatives, coordinating schedules and resources, maintaining communication with external stakeholders, and supervising teams based in **Pakistan, India, and Canada**.

Over the course of her employment, the Pakistan office expanded significantly in size. As part of her assigned responsibilities, Ms. Khan has been involved in **interviewing, onboarding, training, and ongoing supervision** of team members.

Ms. Khan is currently employed on a **full-time basis** with Inavista Technologies. This letter is issued upon her request for verification purposes and may be used wherever required.

Sincerely,
