Professional Summary

I am a high-achieving **PhD** in Accounting & Finance and a full-time, permanent **Lecturer** at the University of Sunderland in **London** (UoSiL). I have a confirmed pathway to Module Leadership in March/ April 2026, overseeing curriculum quality and academic standards. I leverage the foundational excellence gained at COMSATS Islamabad, where I held Merit Scholarship, to deliver high-impact education and research in the UK. My career is defined by specialized expertise in international regulatory compliance and a commitment to global research integrity as a Q1 journal reviewer.

Education

01-10-2021 – 24-04-2025
Glasgow, Scotland, UK

PhD in Accounting and Finance

Strathclyde Business School | University of Strathclyde

Successfully Defended: 14-02-2025 | **Awarded:** 24-04-2025 | **Graduation:** 3-07-2025

- **Thesis:** Stock Market Crises and Their Effects on Investors and Financial Markets: Insights from Global Events (GFC 2007-08, COVID-19, Russia-Ukraine War 2022, Monkeypox 2022, and QE USA 2007-08).
- **Independent Research Innovation:** I independently authored a successful PhD research proposal on COVID-19 during the 2019-2021 pandemic period without external assistance. This original work secured a fully funded Global Research PhD Scholarship at the University of Strathclyde, UK in 2021.
- **Academic Resilience:** I cleared the NTS test and successfully completed 1st semester of PhD coursework at NUST Business School, Islamabad, with distinction before transitioning to the UK.
- **Global Research Scholarship (2021-2025):** I have been awarded based on academic excellence and the potential of my independently developed research on global stock market crises.
- **Commitment to Excellence:** I maintained a continuous pursuit of research-active roles from 2019–2021, successfully acquiring a highly competitive international scholarship after declining multiple self-funded offers due to financial integrity.

09-2017 – 06-2019
Islamabad, Pakistan

09-2010 – 06-2012
Wahcantt, Pakistan

Intermediate in Commerce | Accounting
Cantt College for Girls

Experience

20-10-2025 – Present
London, England, UK

Lecturer (Accounting / Finance, & Business Law) - Full time, permanent
University of Sunderland in London (UoSiL)

Current Teaching Portfolio:
Academic & Employability Skills | Managing Financial Resources | Global Business Environment | Work Based Learning | The Role of Marketing in Tourism & Events Management

Successional Module Leadership:

- Successfully meeting all probationary milestones with a confirmed appointment to assume Module Leadership in March/April 2026. This role involves taking ownership of curriculum design, assessment strategy, and quality assurance for core finance modules.

Core Responsibilities & Impact:

- **Instructional Excellence:** I deliver high-quality instruction across five diverse modules integrating original research insights from doctoral work on global financial crises.
- **Regulatory Oversight:** I ensure 100% compliance with UK Higher Education (QAA) quality standards, university policies, and rigorous assessment protocols.
- **Student Success:** I provide expert academic guidance and employability skills support to a diverse body of undergraduate and postgraduate students.

01-09-2025 – 17-09-2025
Glasgow, Scotland, UK

Invigilator (ACCA & IFoA Exams) - Specialized High-Stakes Compliance
British Council, UK (reporting to **USA branch**)

Specialized Compliance & Regulatory Adherence:

- **International Exam Oversight:** I managed the invigilation and administration of high-stakes professional exams for ACCA (Association of Chartered Certified Accountants) and IFoA (Institute and Faculty of Actuaries).
- **Cross-Border Reporting:** Operates under the strict regulatory oversight of the British Council's USA operations, ensuring 100% adherence to international integrity and compliance standards.

Operational Excellence:

- **Protocol Management:** I executed end-to-end exam procedures, including secure candidate verification, identification management, and material distribution for back-to-back morning and afternoon sessions.
- **Complex Documentation:** I maintained precise compliance records and official attendance documentation; manually drafted technical exam room floor plans to meet rigorous reporting requirements.
- **Integrity Assurance:** I successfully managed high-pressure sessions (07:30 to 17:00), leading candidate briefings and ensuring secure electronic submission verification for international professional bodies.

23-06-2025 – 29-08-2025
And
26-09-2024 – 31-01-2025
Glasgow, Scotland, UK

Lead Invigilator & Exam Invigilator

Department of Accounting & Finance | Strathclyde Business School | University of Strathclyde

Leadership in Academic Integrity:

- **Primary Oversight:** I acted as the Lead Invigilator and primary point of contact for diverse undergraduate and postgraduate examinations, making official announcements and managing the high-stakes exam environment.
- **Logistical Coordination:** I collaborated directly with professors to manage large-scale student cohorts, ensuring 100% adherence to University of Strathclyde academic regulations and examination policies.
- **Security & Confidentiality:** I managed the secure collection, verification, and return of sensitive examination materials to the central administration, maintaining strict confidentiality protocols.

Commitment to Inclusion:

- **Special Accommodations:** I enhanced exams integrity for students requiring specialized support, demonstrating a commitment to inclusive academic practices and meticulous logistical management.

23-01-2022 – 30-05-2025
Glasgow, Scotland, UK

Tutor (Accounting and Finance)

Department of Accounting & Finance | Strathclyde Business School | University of Strathclyde

Instructional Excellence & Curriculum Delivery:

- **Diverse Teaching Portfolio:** I delivered high-quality instruction across five distinct fixed-term contracts for both Postgraduate (MSc) and Undergraduate levels.
- **Core Modules:** Finance & Financial Management, Advanced Corporate Finance & Financial Markets, Introduction to Finance & Financial Analysis, Financial Statistics, and Accounting Technologies.
- **Inclusive Pedagogy:** I implemented inclusive teaching practices and adapted complex financial concepts for diverse student cohorts, ensuring equitable learning outcomes.

Academic Impact & Mentorship:

- **Student Success:** I fostered a high-performance learning environment, directly contributing to students achieving exceptional academic grades.
- **Global Progression:** I provided critical academic support and guidance that enabled students to secure admission into top-tier global universities and business schools.
- **Integrated Responsibility:** I successfully balanced rigorous teaching duties with subsequent examination oversight, demonstrating versatility and high reliability within the department.

19-01-2022 – 07-06-2024
Glasgow, Scotland, UK

Sessional Tutor

Kaplan International | Glasgow International College (in collaboration with University of Glasgow)

Consistent Instructional Excellence:

- **Continuous Re-selection:** Awarded 7 distinct fixed-term contracts based on exceptional performance and consistent alignment with programmatic needs.
- **Specialized Curriculum Delivery:** I delivered high-quality lectures and seminars for Pre-Masters modules in Advanced Statistics and Accounting & Finance.
- **Versatility:** I successfully served as a primary cover tutor for the Foundation module in Business & Management (Finance), demonstrating a broad pedagogical range.

Assessment & Mentorship Impact:

- **Academic Feedback:** I managed all formative and summative assessments, providing constructive feedback that directly enhanced student comprehension of complex financial concepts.
- **Strategic Mentorship:** I provided dedicated academic guidance, helping students navigate the transition from international foundations to high-level postgraduate study.

Key Achievements:

- **Exceptional Success Rates:** I achieved a **98% student success rate** in final examinations.
- **Scholarship Success:** I mentored multiple students who successfully secured scholarships for their subsequent higher education degrees.

04-10-2022 – 31-08-2023
Glasgow, Scotland, UK

Tutor (Strathclyde Business School)

University of Strathclyde

Instructional Facilitation & Skills Development:

- **Program Facilitation:** I led comprehensive tutorials for Management Development Programs (MDP) 1 & 2 and the Personal Development Planning (PDP) skills modules.
- **Core Competency Building:** I successfully coached students in the practical application of key management principles and essential professional development skills.

Assessment & Feedback:

- **Academic Evaluation:** I evaluated final assessments and projects for Academic Skills, MDP1, and MDP2 modules.
- **Constructive Mentorship:** I provided high-quality, actionable feedback on student projects to bridge the gap between theoretical management concepts and practical business applications.

Key Achievements:

- **Student Progression:** I significantly enhanced student learning outcomes through tailored support, resulting in improved mastery of core management frameworks and professional skills.

09-2014 – 06-2016
09-2017 – 06-2019

Islamabad, Pakistan

Peer Leadership & Academic Mentorship (Voluntary)

COMSATS University

Leadership & Knowledge Sharing:

- **Academic Initiative:** I voluntarily provided extensive academic support to peers and juniors throughout both Bachelor's and Master's programs, driven by my passion for accounting & finance education and community success.
- **Collaborative Mentorship:** I conducted regular, high-impact study sessions for entire class cohorts, and juniors, simplifying complex numerical problems and theoretical frameworks in Accounting, Finance, business mathematics & statistics and other business modules.
- **Inclusive Support:** I helped my classmates with exam preparation, ensuring they grasped core concepts regardless of the competitive academic environment.

Curriculum Coverage:

- I delivered specialized guidance across **14 core modules**, including: *Financial Modelling, Econometric Methods, Enterprise Risk Management, Investment & Portfolio Management, Advanced Financial Instruments, and Quantitative Techniques.*

Key Achievements:

- **Measurable Impact:** My instructional methods directly empowered students to achieve exceptional results, with many securing **grades up to 90%** in final examinations.
- **Communication Mastery:** I developed a sophisticated ability to translate intricate business and finance concepts into accessible, clear, and actionable insights—a foundation for my current professional lectureship in London.

01-07-2016 – 30-07-2016

Islamabad, Pakistan

Intern

Business Incubation Centre (BIC) | COMSATS University

- **Project Coordination:** I contributed to a strategic outreach project focused on engaging educational institutions, utilizing **Asana** for task tracking and project management.
- **Operational Skills:** I gained practical experience in project organization, systematic data gathering, and stakeholder engagement.

04-01-2016 – 31-03-2016

Fateh Jang, Pakistan

Intern

Accounts and Finance Department |Punjab College of Commerce

- **Financial Assistance:** I assisted in the preparation of budgets, verified complex financial records, and maintained accurate fee collection systems.
- **Technical Application:** I gained hands-on experience with **QuickBooks** accounting software and applied rigorous double-entry bookkeeping principles
