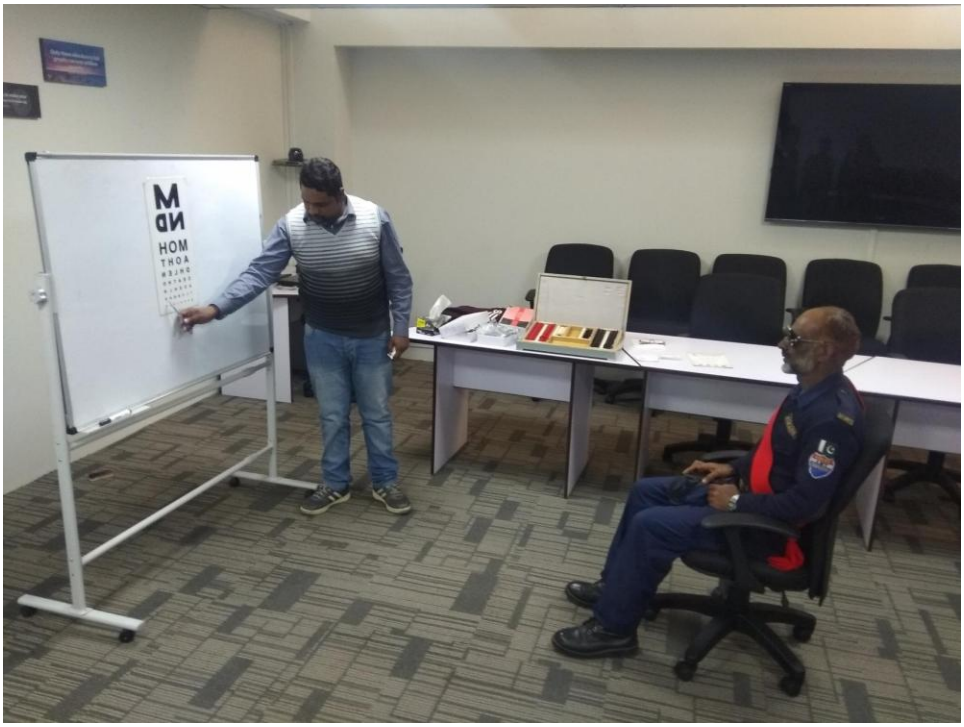
CSR Activities at PPL



Groundbreaking of Vocational Training Institute, Dhong

Pakistan Petroleum Limited (PPL) organized the groundbreaking ceremony of Vocational Training Institute (VTI) at Dhon Tehsil Gujjar Khan on June 19.

Adhi Field staff, Community Development team and representatives from Raah-e-Aman Foundation attended the ceremo VTI will be used for imparting different job-oriented skills training specially related to Information Technology and Digital Media to the youth of the area by Raah-e-Aman Foundation (RAF), a non-governmental organisation dedicated to the welfare and upliftment of the local community of Dhong.

PPL will construct the building for the institute with a cost of Rs 20 million, whereas RAF will empower the local youth with focus on skill development and employment readiness.

PPL has taken the initiative to support underprivileged community in Dhong and adjacent villages to enhance employment opportunities fostering self-reliance. ■
