International Institute for Applied Systems Analysis

IIASA

Certificate of Achievement

This certificate is awarded to

Ibrar ul Hassan Akhtar

In recognition of a valuable contribution to scientific research through participation in the Geo-Wiki data collection campaigns,
SIGMA Field Size 2017
SIGMA Cropland Validation 2016

July 25, 2017

GEO-Wiki

Dr. Steffen Fritz
Group Leader
Earth Observation Systems

CERTIFICATE OF APPRECIATION

AgMIP
The Agricultural Model Intercomparison and Improvement Project

WASHINGTON STATE UNIVERSITY
World Class. Face to Face.

Agroclimatology Lab
Department of Agronomy, University of Agriculture, Faisalabad

This Certificate is Awarded to _____

for Outstanding Contribution / Services in

AgMIP -Pakistan Kickoff Workshop & International Seminar on Climate Change

"Crop Modeling – An Artistic Tool for Risk Management in Agriculture"

June 4 - 6, 2013

Theme: "Assessing Climate Vulnerability and Projecting Crop Productivity Using Integrated Crop and Economic Modeling Techniques"

PROF. DR. IQRAR AHMAD KHAN (Sitara-e-Imtiaz)
Vice Chancellor,
University of Agriculture, Faisalabad - Pakistan.

PROF. DR. ASHFAQ AHMAD
Lead Principal Investigator of AgMIP,
University of Agriculture, Faisalabad - Pakistan.

PROF. DR. GERRIT HOOGENBOOM
AgMIP Resource Person,
Washington State University - USA.

FAO

TRAINING COURSE

on

"SHOCK IMPACT SIMULATION MODEL AND COMMODITY BALANCE SHEET FOR MARKET MONITORING & FOOD SECURITY ANALYSIS"

at

SUPARCO, Islamabad, Pakistan, November 10-14, 2014

CERTIFICATE OF ATTENDANCE

Ibrar-ul-Hassan Akhtar

Syed Zuhair Bokhari
(SUPARCO)

Dr. Cheng Fang
(FAO/EST)

PMD

UNITED NATIONS ESCAP
Economic and Social Commission for Asia and the Pacific

ist Institute of Space Technology

SUPARCO

This is to certify that

Ibrarul Hassan Akther

---

has attended the workshop on

Developing Capacity for Resilience to Water-related Disasters in Pakistan through Space Applications & Disaster Risk Management

jointly organized by

UNESCAP, SUPARCO, PMD & IST

from 01 – 04 March, 2011, at Islamabad

Dr. Xuan Zengpei
Director
IDD, UNESCAP

Imran Iqbal
Member (SAR Wing)
SUPARCO

SUPARCO

Certification of Participation

Ibrar ul Hassan Akhtar

has successfully completed
Training on

Agriculture Information System
"Satellite based Crop Monitoring & Forecasting"

Organized by SUPARCO in collaboration with FAO
at Pearl Continental Hotel, Lahore, Pakistan
23th to 27th June, 2012

Matthew C. Hansen
Professor
University of Maryland

Kevin D Gallagher
FAO Representative
Pakistan

Syed Zuhair Bokhari
Deputy Director General
SUPARCO, Islamabad

ISNET

SUPARCO

CERTIFICATE

This is to certify that

Ibrar ul Hassan Akhtar

has participated in the
United Nations/Pakistan International Workshop
on Integrated Use of Space Technologies for Food and Water Security

organized by the UN Programme on Space Applications (UN-PSA),
Pakistan Space and Upper Atmosphere Research Commission (SUPARCO) and
Inter-Islamic Network on Space Sciences and Technology (ISNET)

hosted by SUPARCO on behalf of the Government of Pakistan
held in Islamabad, Pakistan, from 11 to 15 March 2013

Sergei Chernikov Programme Coordinator, UN-PSA	Arshad H Siraj Executive Director, ISNET	Ahmed Bilal Chairman SUPARCO

SUPARCO

USDA

FAO

Project GCP/PAK/125/USA: Building Provincial Capacity in Pakistan for Crop Estimation, Forecasting, and Reporting based on the integral use of Remotely Sensed Data.

TRAINING WORKSHOP

at SUPARCO, Islamabad, Pakistan, Jan 20-31, 2014

CROP INFORMATION PORTAL ADMINISTRATION
CROP INFORMATION PORTAL USE
GEOSPATIAL DATA MANAGEMENT: GEONETWORK

CERTIFICATE OF PARTICIPATION

Ibrar-ul-Hassan Akhtar

Imran Iqbal (SUPARCO)

Trainers:
Emanuele Tajariol (GeoSolutions, Inc.)
Antonio Martucci (FAO)
Patrizia Monteduro (FAO)

John Latham (FAO)

NUST
Defining futures

RESEARCH PROGRAM ON
Water, Land and Ecosystems
CGIAR

ICARDA
Better Livelihoods In Dry Areas

NATIONAL UNIVERSITY OF SCIENCES AND TECHNOLOGY, ISLAMABAD
and
INTERNATIONAL CENTER FOR AGRICULTURAL RESEARCH IN DRY AREA

Certificate of Training

Mr. Ibrar ul Hassan Akhtar

has completed one day training workshop
on

Nutrient flow modelling using SWAT Model

December 21, 2015

Dr. Tariq Mahmood
Principle SCEE-NUST

Mr. Charles Kleinermann
Head, Capacity Development Unit - ICARDA
