TO WHOM IT MAY CONCERN

I am pleased to provide my strongest endorsement for Afeera Bint-e-Tanveer, acknowledging her outstanding performance as a Software Engineer within our ICT department. As Director ICT at National University of Technology, I have had the privilege of witnessing Afeera's dedication, expertise, and outstanding performance firsthand.

She has been instrumental in various in-house website development and maintenance projects, showcasing remarkable skill and proficiency in each endeavor. Her attention to detail, innovative approach, and commitment to excellence have consistently exceeded our expectations. Whether it be developing and maintaining the NUTECH official website or contributing to the creation of the Day Trip Learning Portal in collaboration with PEC, Afeera has consistently delivered results of the highest caliber.

Beyond her technical abilities, she consistently demonstrates strong communication skills and a collaborative spirit. She has proven to be an invaluable team player, capable of effectively coordinating with stakeholders, understanding project requirements, and delivering solutions that align with our organizational goals.

Afeera's professionalism, reliability, and proactive attitude make her a truly exceptional asset to our team. Her willingness to take on challenges, adapt to evolving technologies, and consistently strive for excellence make her an indispensable member of our ICT department.

It is with great confidence that I recommend her for any future endeavors. I am certain that she will continue to excel and make significant contributions wherever her career may take her. Should you require any further information or clarification regarding her qualifications or performance, please do not hesitate to contact me.

Sincerely,

Lt Col
Director ICT
