University–Industry Engagement & Recruitment Summary

(COMSATS University Islamabad Graduates)

Organization: BICS (BI Consultancy Services)

1. Context

BICS (BI Consultancy Services) actively engages with graduates of COMSATS University Islamabad through recruitment, interviews, and employment opportunities. As part of its university–industry linkage efforts, the firm regularly interviews COMSATS students and graduates for entry-level and junior professional roles. This engagement includes candidates who are currently employed, those who previously worked with the firm, and shortlisted candidates who were interviewed but not hired.

2. Engagement Snapshot

Total COMSATS graduates engaged: **9**
- Interviewed but not hired: 5
- Previously worked with the firm: 3
- Currently working with the firm: 2

3A. Interviewed but Not Hired

Name	Degree Program
Syeda Hadiya Bukhari	BS Accounting & Finance
M. Shumyle Shaheen Chugtai	BS Accounting & Finance
Muhammad Aitsam	BS Accounting & Finance
Romaisa Ramzan	Accounting & Finance
Usman Ali	BS Accounting & Finance

3B. Previously Worked with the Firm

Junaid Javed	BS Computer Science

3C. Currently Working with the Firm

Name	Degree Program
Asma Nawaz	BS Economics
Sufian Ahmed	BS Computer Science

4. Impact Statement

Through these recruitment and employment activities, the nominee has supported youth employability, skills assessment, and professional exposure for COMSATS graduates. This sustained engagement reflects meaningful university–industry collaboration and contributes to the professional development of young graduates across accounting, finance, economics, and computer science disciplines.

5. Declaration

This document is submitted as a factual summary of recruitment and engagement activities conducted by BICS (BI Consultancy Services) with graduates of COMSATS University Islamabad.
