Minahil and Umer are very knowledgeable in real estate and property management accounting, with experience with multiple software, such as Quickbook and Resman. Umer is easy to understand, polite, responsive and proactive. Following his recommendations, we will already be saving close to $350 per month.

This was a great experience and wonderful job done by this team. i review what was provided and was satisfied. i will continue using the seller. Thank you .

Minahil will be my go-to bookkeeper from now on. The attention to detail that Minahil exhibits is top-notch, and it is really a lifesaver when it comes to tax season, which translates to reliability that you can trust and she really took a lot of worries off my shoulders when it comes to taxes and bookkeeping. Thank you for the good work.
