Letter of Acceptance

December 17, 2018

Dear Nazish Murad,

Congratulations! I am pleased to inform you that you have been accepted into the PhD program of Department of Mechanical Engineering at National Central University for the 2019 Spring Semester (February, 2019). The following forms and documents need to be handed in to the Office of International Affairs, Registry Office and your department upon registration date, February 11th ,2019.

1. This Letter of Acceptance
2. Highest Academic Graduation Certificate with Original Verification in Chinese or English by R.O.C (Taiwan) Overseas Embassies & Missions in the country of the original school.
3. Official Transcript with Original Verification in Chinese or English by R.O.C (Taiwan) Overseas Embassies & Missions in the country of the original school.
4. Highest Academic Graduation Certificate: original graduate school diploma
5. Official Transcript: an original graduate school transcript
6. ~~Registration Form~~ 行政 陳虹蓓
7. Other required documents for registration

If the documents mentioned above aren't able to be submitted on the registration date (February 11th, 2019), the admission acceptance will be cancelled and the enrollment will be rejected.

I hope that you will be part of the NCU community, and I am sure that your academic experience here will be both challenging and rewarding. If you have any questions, please contact Ms. Novia Chen at +886-3-4207107 or at IntlAdms@ncu.edu.tw.

Sincerely yours,

Wen-June Wang

Scholarship Statement Letter

December 17, 2018

Dear Nazish Murad,

Congratulations! We are pleased to inform you that you are accepted to the PhD program of Department of Mechanical Engineering at National Central University for 2019 Spring Semester (February, 2019).

With the decision, a full scheme fellowship is also offered for you. The fellowship includes living expense supports, tuition waive and credit fee waive. The support of living expense will be wired to your activated bank accounts. Please allow 6 to 8 weeks to process. Tuition and credit fee will be automatically deducted from your registration bill.

The breakdown of the fellowship is listed as following:
Support of living expense: NT$ 180,000 per year
Tuition Waive: Approximately NT$44,400 to NT$53,240 per semester
Credit fee Waive: NT$3,140 per credit

In principle, the fellowship is granted 4 and 2 years for PhD and Master Degree students, respectively. However, NCU reserves the right to reduce or even suspend the fellowship if your academic performance does not meet the requirement. The detail of the Fellowship Guidelines can be reached at OIA website:
www.oia.ncu.edu.tw/index.php/en/2013-03-21-07-43-6/2013-03-21-07-53-14/scholarships.html

If you decide to change your study plan, the fellowship is subjected to re-evaluation. Should you have any further inquiries, please contact with Ms. Wanda Huang at wandahuang@ncu.edu.tw. See you soon in NCU!

Sincerely yours,

Hsieh-Lung Hsu
Vice President for International Affairs
* Income tax will be deducted from the fellowship.

Nazish Murad

Postdoctoral Associate

Nazish received her Ph.D. in Mechanical Engineering, focusing on breast cancer, from National Central University, Taiwan, in 2023. She received her MS in Applied Mathematics from Comsats University, Pakistan, in 2017. Her main areas of research are deep learning architecture design, statistical analysis, biomedical image reconstruction, and machine learning algorithms with applications in healthcare. During her Ph.D., she designed various deep learning networks for image reconstruction for Diffuse Optical Imaging. She worked at Wistron ITS, Taiwan, as a Senior Software Engineer in the data team (real-world data projects). She has also worked externally with Sanofi, a pharmaceutical company, as a Data Scientist. Nazish is a recipient of several awards, including the CTCI Taiwan research grant, Hiroshima Japan student exchange, Northern University Excellence Scholarship during Master's studies, National Central University Scholarship during Ph.D., and Begum Bilquis Scholarship during undergraduate studies.
