Alumni Excellence Award – Official Citation

Category: Innovation & Entrepreneurship

This citation is presented in recognition of **Ms. Rida e Noor Gillani** for her outstanding contributions to Innovation and Entrepreneurship, and for her continuous commitment to empowering students through practical career-building opportunities.

Ms. Rida e Noor Gillani has demonstrated exceptional leadership and entrepreneurial vision as the **Co-Founder & Chief Operating Officer of Texinity Technologies**. Through her work, she has played a pivotal role in strengthening industry–academia collaboration, particularly with **COMSATS University**, by actively supporting students in their professional journeys.

Her efforts include leading and facilitating structured internship drives, enabling students to secure meaningful internships and full-time employment opportunities within the tech industry. She has been instrumental in identifying talent, mentoring young professionals, and creating pathways that bridge academic learning with real-world corporate exposure.

In addition to her professional contributions, Ms. Gillani has also served as both an internal and external **Final Year Project (FYP)** Judge, where her insights, evaluation, and guidance have helped students refine their ideas, improve project quality, and align their innovations with industry standards.

Ms. Rida e Noor Gillani's dedication to nurturing talent, promoting innovation, and fostering entrepreneurial mindsets among students reflects excellence that extends beyond her organization and contributes meaningfully to the broader academic and professional ecosystem.

In recognition of her impactful service, leadership, and commitment to student career development, she is hereby nominated for the Alumni Excellence Award under the category of Innovation & Entrepreneurship.
