Citation for Alumni Excellence Award in Innovation & Entrepreneurship

Nominee: *Mr. Al-Sheikh M. Waleed Shafqat Azim*

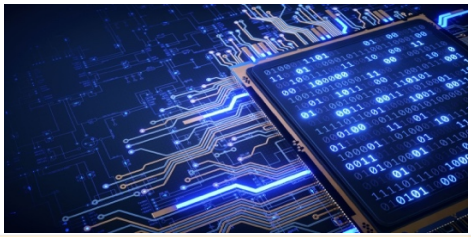
**Alumnus, COMSATS Institute of Information Technology, Islamabad (MBA – Finance, Class of 2010)*

Citation:

I ; Mr. Waleed Shafqat Azim is a dynamic, visionary professional and a distinguished alumnus of COMSATS University who has exemplified excellence in the domains of innovation, entrepreneurship, and leadership across multiple industries. With over thirteen years of experience in business management, marketing, consultancy, and financial strategy, he has successfully transformed challenges into opportunities, inspiring countless young professionals to pursue innovation-driven careers.

As the **Founder and CEO of Acmes Business Services (ABS)**, Mr. Shafqat has spearheaded a range of entrepreneurial ventures that offer business development, consultancy, and start-up support to emerging enterprises across Pakistan and internationally. His innovative approach in developing customized business strategies, integrating technology-driven solutions, and promoting sustainable business models has positioned ABS as a recognized force in the corporate landscape.

Under his leadership, ABS has pioneered several strategic initiatives that bridge academic learning with practical enterprise solutions, fostering partnerships between universities, startups, and private sector organizations. His emphasis on digital innovation, customer-centric solutions, and adaptive management frameworks has led to measurable growth for client organizations while exemplifying the entrepreneurial spirit that COMSATS champions.

Mr. Shafqat's achievements are not confined to his entrepreneurial ventures alone. His commitment to **youth empowerment** and **social entrepreneurship** is demonstrated through extensive **volunteer work**, **business forums**, and **community development projects** in collaboration with NGOs, universities, and professional networks. His contributions have been recognized through multiple awards, including the **Leadership and Student Achievement Award** from the University of Bedfordshire (UK), underscoring his global perspective and cross-cultural leadership.


In recognition of his innovative business contributions, entrepreneurial leadership, and continued efforts to uplift young professionals through mentorship and social impact initiatives, **Mr. Waleed Shafqat Azim stands as an outstanding candidate for the COMSATS University Alumni Excellence Award in Innovation & Entrepreneurship**. His career reflects the university's spirit of *"Inspire, Innovate, and Impact"*—making him a true ambassador of COMSATS excellence on both national and international platforms.
