Cover Letter for Alumni Award Nomination

To: The COMSATS Alumni Awards Committee

Subject: Nomination for Alumni Award – Mr. Zain Ali Khan (CEO LandMark Group)

Dear Members of the Committee,

It is an honor to submit my credentials for the COMSATS Alumni Awards, representing the professional excellence and leadership values instilled by my alma mater. Over the past several years, I have dedicated my career to advancing Pakistan’s renewable energy infrastructure, specifically within the solar power sector.

As a Country Head of Operations, I have bridged the gap between technical engineering and strategic execution. My journey is defined by the successful delivery of large-scale green energy projects that support Pakistan's environmental and economic goals. This nomination reflects not only my individual milestones but a commitment to the "Clean & Green" energy transition that our country requires.

Thank you for your time and for considering my contribution to the professional world as a proud COMSATS alumnus.

Sincerely,

Zain Ali Khan
