Event Sponsors in Comsats:

Subject: Confirmation of Sponsorship and Request for Judges

Dear Salman,

I hope this message finds you well. I wanted to express our gratitude for the sponsorship discussion we had regarding our upcoming event. We are pleased to confirm that we have received the sponsorship amount of 40,000 PKR from Fleat Tech, and we sincerely appreciate your support.

Additionally, we would like to request Fleat Tech to kindly provide two judges for the event that is on 10th October 2024, Thursday. Specifically, we are looking for one judge to evaluate the Web Development competition and another to oversee the Designathon. Your participation in this capacity would greatly enhance the quality of the competitions, and we look forward to your confirmation.

Thank you once again for your generous contribution, and we hope to continue our fruitful collaboration.

Best regards,

Inayat Ur-Rehman, PhD,
Associate Professor/
In-Charge CS Program,

Dear Muhammad Hammad,

I hope this message finds you well. I am writing to extend a formal invitation for you to serve as a judge at our upcoming event, **COMPETE**, an inter-university technology competition hosted by COMSATS University Islamabad. We believe that your expertise and experience would add immense value to the event, especially in evaluating the **Designathon** module.

About COMPETE: COMPETE is a premier tech event bringing together students from leading universities across Islamabad. The event serves as an excellent platform for participants to demonstrate their technical skills, network with peers, and represent their universities. It aims to foster collaboration across various institutions and industries, further solidifying COMSATS University's position in the tech community.

Event Details:

- **Date:** October 10th, 2024
- **Time:** 04:30 PM
- **Venue:** Department of Computer Science, COMSATS University Islamabad

Your Role: We would be honored to have you as a judge for the **W3 Contest**, a thrilling web development competition. In this module, participants will race against time to build functional and creative websites using the stack of their own choice. Your role will be to assess their coding skills, design creativity, and the overall functionality of the websites they develop.

Your presence as a judge would greatly elevate the quality and prestige of the competition. Should you be available, kindly confirm your participation, and we will provide further details on the event schedule and judging criteria.

Warm Regards,

Dr. Inayat-ur-Rehman,
Associate Professor,
Incharge Computer Science Program,
Department of Computer Science,
